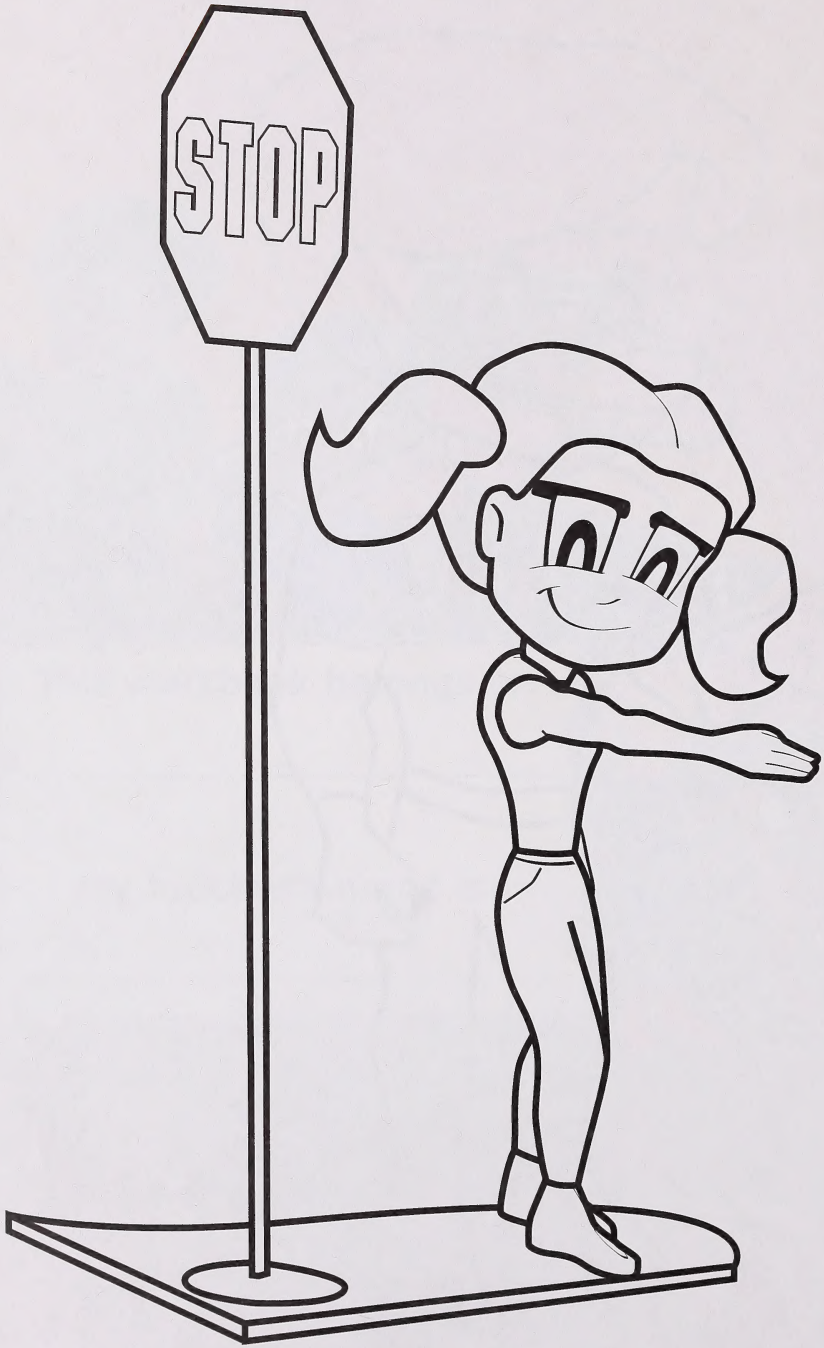
Hi! My name is Kip!

These are my friends the Kinetic Kids.

Let's learn about traffic safety!

Hi! My name is Pace!

Be careful crossing the street.



Colour Me!

Remember to:

Point your arm out to show the cars you want to cross.

Pause and wait for all the cars to stop for you. Look at the drivers' eyes to make sure they see you.

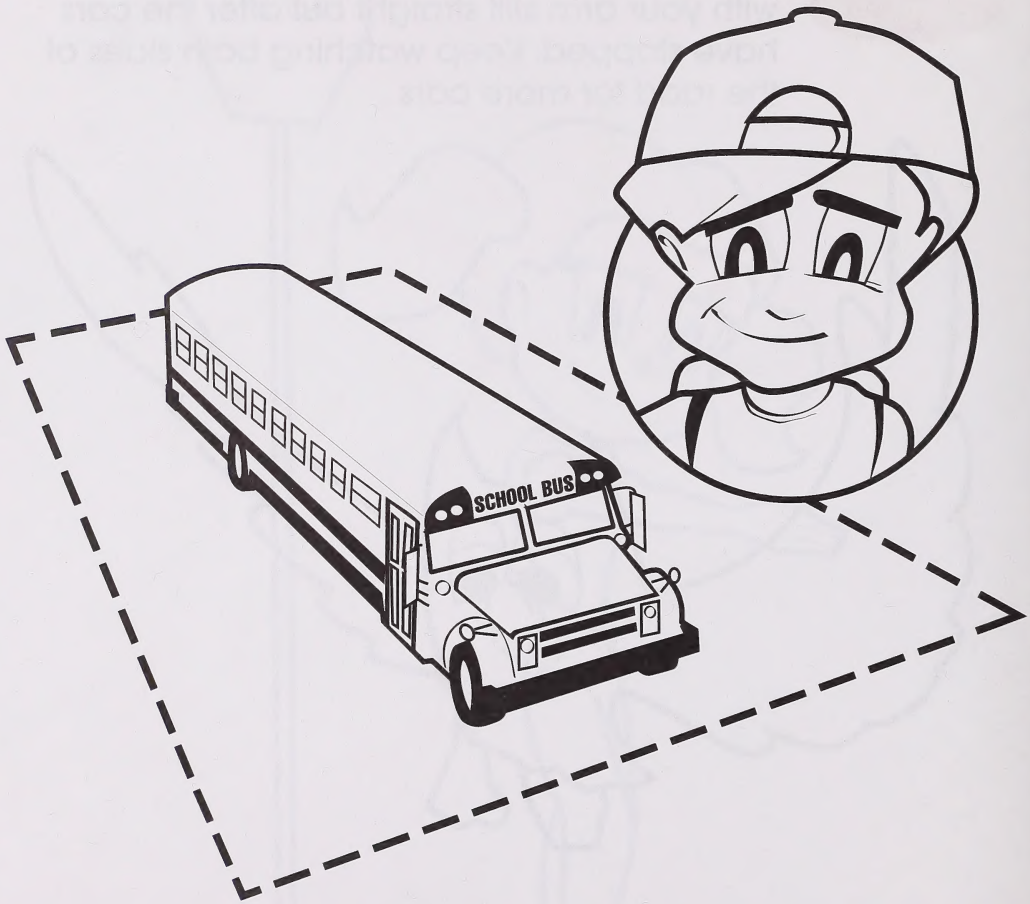
Proceed with your arm still straight out after the cars have stopped. Keep watching both sides of the road for more cars.

Pace's friend **Lookout the Owl** says
"Remember to lookout for drivers who can't see you."

Colour Lookout YELLOW!

Hi! My name is Buster!

You should always be super careful around buses.



Colour the Danger Zone around the bus **RED**!

Remember to:

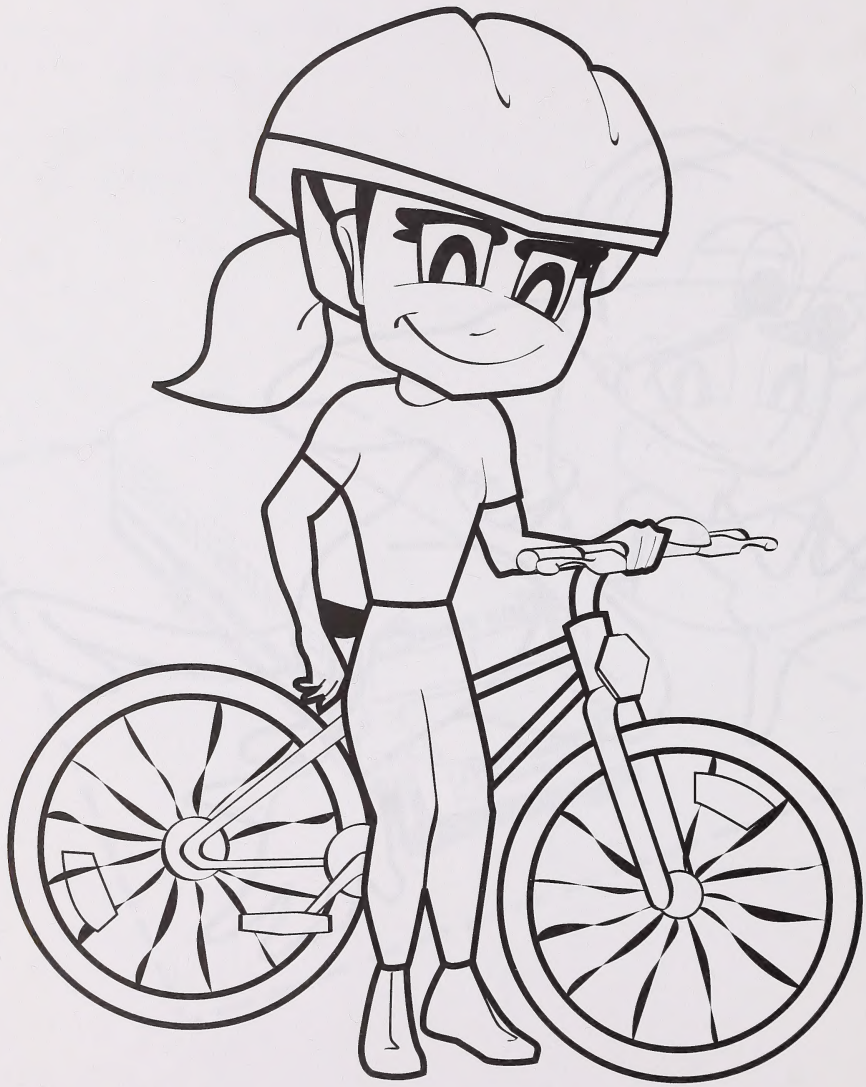
always stay out of the danger zone.

Buster's friend **Bumpy the Monkey** says
"Play it safe. Never monkey around on the bus."

Colour Bumpy BLUE!

Hello!
My name is Doolie!

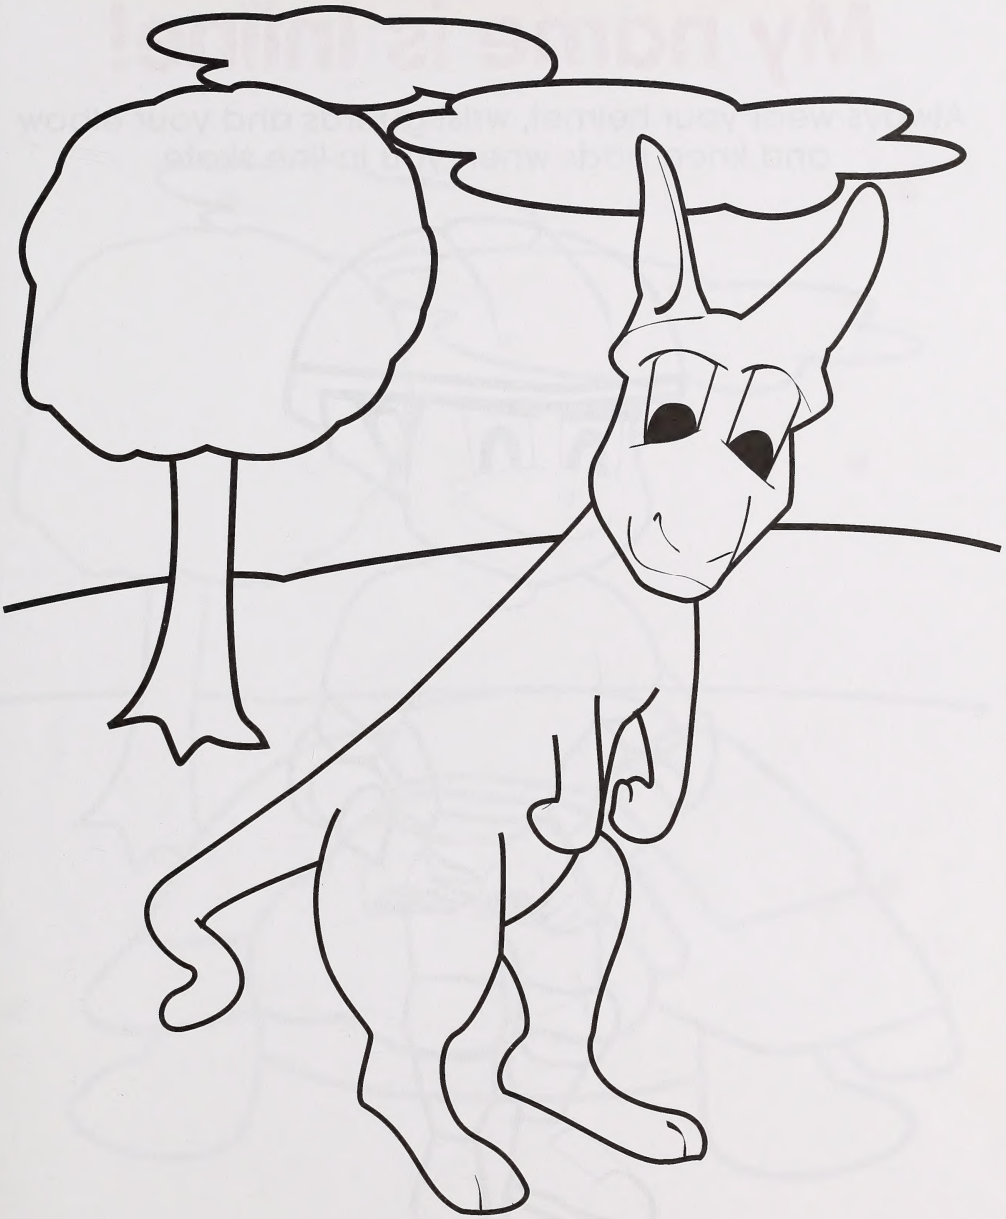
I always wear my helmet when I ride my bike.



Ride by the rule:

No Helmet. No Bike.

Colour my helmet ORANGE!



Doolie's friend **Pedals the Kangaroo** says,
"Always walk your bike across the street."

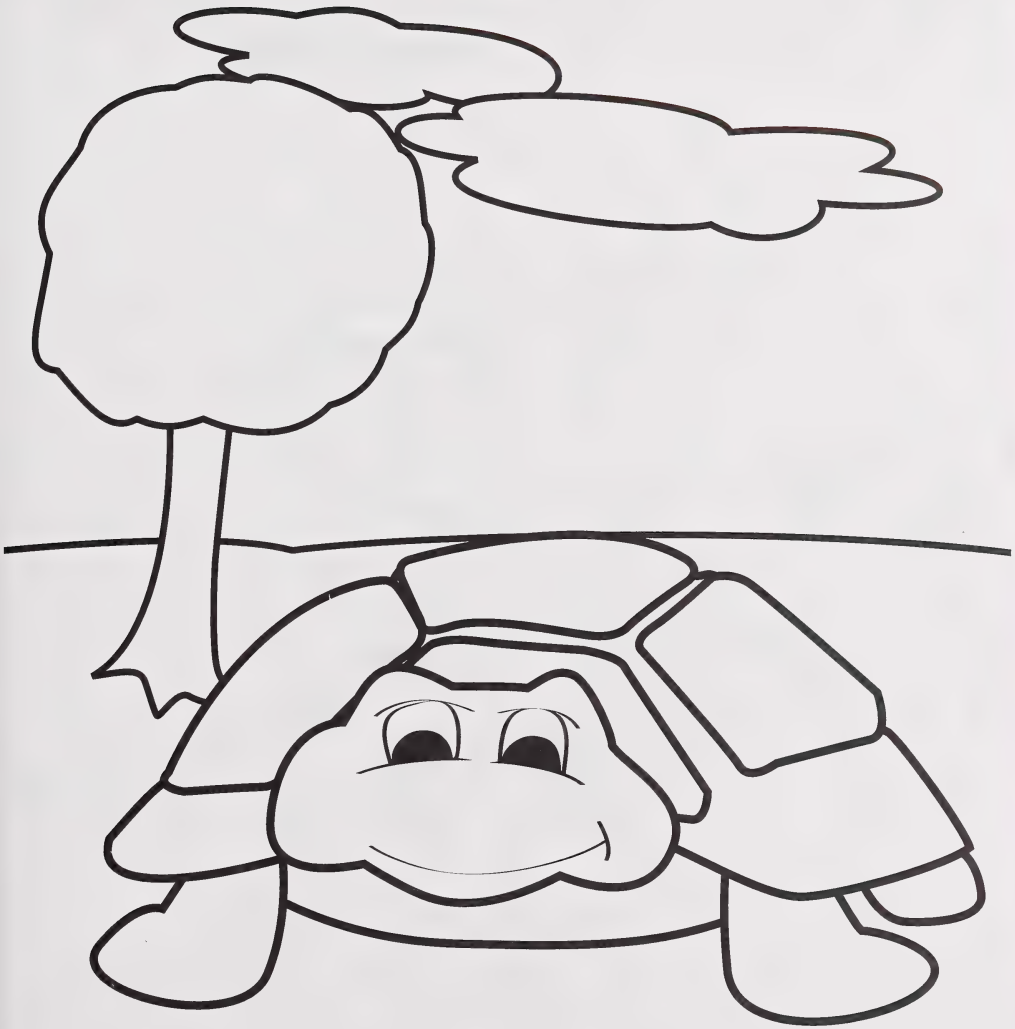
Colour Pedals ORANGE too!

Hey there!
My name is Inline!

Always wear your helmet, wrist guards and your elbow and knee pads when you in-line skate.

Colour Inline's helmet, wrist guards, elbow pads and knee pads GREEN!

Always Skate Safe!



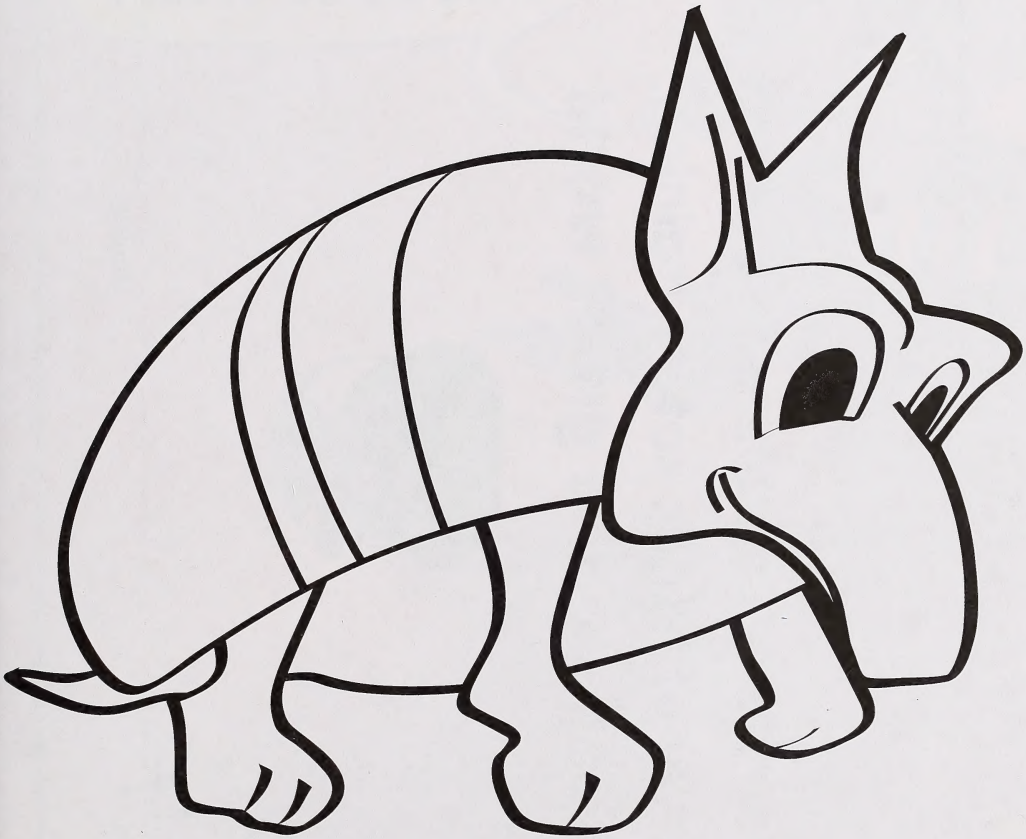
Inline's friend **Skoot the Turtle** never goes anywhere without his hard shell. He says, "Your helmet is your shell. Don't leave home without it!"

Colour Skoot GREEN!

Hello! My name is Thrasher!

Riding a skateboard is cool. But only when you wear your helmet, your elbow pads and your knee pads. It's the only way to **Skate Smart**.

Don't forget to pick up your skateboard before you cross the street.



Thrasher's friend **Ollie the Armadillo**
never goes anywhere without his shell either.
Stay cool! Wear your helmet.

Colour Ollie's shell RED!

Congratulations _____!

Your name

You have completed your first level of traffic safety training.

Keep up the great work!
